Ms. Branche – good morning, attached are the close out documents for Greene County's US EPA Brownfields Community Wide Assessment Grant, BF# 96359501. Included are the following:

Clouse Out Report;
Federal Financial Form
MBE/WBE Utilization Form; and
Lobbying and Litigation Form.

Please note, a separate e-mail will be prepared for the submission of the MBE/WBE form to Ms. Hana Hyland, per the instructions on the form.

Please let us know if anything further is required from our end for the closure of this grant. Also, Greene County intends to submit an application for the FY22 round of grant funding as well. Thank you for your guidance and knowledge in assisting our successful completion of this program and start of a long and successful brownfields redevelopment program in our County.
